MINING ENGINEERING SERVICES

## ▶ ABOUT US

Mining Chemical Suppliers S.a.r.l (MCS) was formed in 2009 with office in Lubumbashi for bulk chemical supply support to Somika s.a.r.l and Vinmart group companies in Democratic Republic of Congo (DRC).

The experience in sourcing good quality chemicals ,raw- materials from leading Manu- factures across the Globe at competitive price and timely delivery encouraged us to expand this business to other mining industries. MCS become one stop solution for all major mining industries for its customer oriented approach in short time, MCS has become a preferred bulk chemical supplier. Our honest ,fair, and responsi- ble approach to all our customers made them to con- sider us as their preferred business partner. Having seen the requirement of an One stop solution for com- plete range of equipment, turn-key projects and specialized services. MCS ventured into Mining Chemical Services (MES) . This added division serve and support mining industries for their uninterrupted and steady services.

### Our Group of Companies.
